

April 2006

PMG Management is excited to announce the addition of a new member to our team. Charles “Chuck” Lamb joined PMG’s Board of Directors on April 17, 2006.

Mr. Lamb brings more than 40 years of experience in manufacturing and engineering to our organization. His credentials feature roles such as Vice President of Manufacturing for Lear Sigler and work as Production Manager for Ford Motor Company’s assembly plants in Connersville and Lavonia. Mr. Lamb has spent the past ten years as a seasoned executive specializing in crisis staffing and labor dispute assessment, planning and management.

Our commitment to outstanding customer service, integrity and exceptional results has catapulted PMG to the top of our industry. Mr. Lamb’s knowledge, background and skills will only serve to bolster this reputation and further guarantee that our clients experience the very best services this industry has to offer. If you would like more information about Mr. Lamb or Personnel Management Group please call (866)522-6701 or visit us online at www.personnelmanagementgroup.net.

We wish you a happy and prosperous spring!

Regards,

The Personnel Management Group Team

Is Your Firm Behind in Production or Facing a Strike? Facility Closure? Natural Crisis or Disaster?

Personnel Management Group will help keep your business going.

Services Provided By PMG

Assessment & contingency planning

We prepare for every possibility.

Communications planning

We help you control the message to all stakeholders.

Recruitment & pre-deployment

We hire and stage a skilled workforce tailored to your needs.

Deployment and on-site management of temporary workforce

We help keep your operations on track and performing to your standards.

Outsourcing and distribution solutions

We move indirect operations off-site temporarily or permanently.

Logistics Solutions

We help keep your inbound and outbound freight on schedule, regardless of your crisis.

Temporary & seasonal workforces

We offer you the flexibility to ramp up your workforce during peak times or for special needs - and the ability to downsize at any time.

About Personnel Management Group

The principals of Personnel Management Group (PMG) bring more than 30 years of experience to the crisis consulting and temporary-replacement market.

As an organization, PMG has been helping companies with their staffing crises for the past 16 years. We work with you to analyze your specific needs then develop a plan for providing a temporary workforce tailored to meet those needs.

Labor Dispute?

We'll keep your operations on track.

Facility Closure?

We'll get those final orders filled and help redeploy your assets.

Natural or other disaster?

We'll initiate our Rapid Deployment Program

PMG Provides Follow-up Service

Our services don't end upon project completion. Personnel Management Group provides on-going planning efforts to ensure that your company's current and future staffing needs are met.

Top 10 Reasons To hire Personnel Management Group:

1. A total-solutions firm, we work with you from the planning stage through to recruiting, deployment and disbandment.
2. Whatever the industry, whatever the staffing crisis, PMG can provide a staffing solution that will meet your industry and company requirements.
3. With more than 16 years' experience in crisis consulting and staffing, we are industry experts.
4. We don't just send out bodies; we send you quality workers and quality managers to guide them.
5. Most of our managers and workers are experienced in multiple industries.
6. Our skilled, experienced workforce is managed to client-tailored performance standards and rewarded at job completion, thereby enhancing overall project success.
7. Our recruiting process is customized to each client's particular needs and requirements.
8. Our pricing is competitive.
9. The support and strength we offer during contract negotiations encourage management to reach for its goals.
10. Our mission: Set realistic goals and expectations, then exceed them.
